

## **REMARKS**

This Amendment is responsive to the Office Action dated December 19, 2008. Applicant has amended claims 4 and 42. Claims 4, 7, 42, 83 and 84 are pending.

### **Claim Rejection Under 35 U.S.C. § 112, Second Paragraph**

In the Office Action, the Examiner rejected claims 4, 7, 42, 83 and 84 under 35 U.S.C. § 112, second paragraph, as failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. More particularly, the Examiner stated that claims 4 and 42 omitted the step of selecting a part of the displayed human body, as performed by a user, which the Examiner argued was “essential.”

Applicant respectfully traverses this rejection, to the extent it is considered applicable to the amended claims. Applicant has amended claims 4 and 42 for purposes of clarification. Amended claim 4 recites that the selection is made by a user of the device, and is of a part of the diagram representing the at least a portion of the human body. Claim 42 has been similarly amended. Applicant submits that the amended claims particularly point out and distinctly claim the subject matter which Applicant regards as the invention, as required by 35 U.S.C. 112, second paragraph, and respectfully requests that this rejection be withdrawn.

### **Interview Summary**
